he or she shall declare this to the Chair and withdraw until after the decision is taken; but he or she shall be entitled to make representation to the meeting, either in writing, or in person before withdrawing.

5. The Council will promulgate a policy advising how conflicts of interest will be considered and dealt with. This policy will be considered each year by the Council and circulated to all members of the Governing Body.

All such requests must be made in writing and be signed by each Fellow making the request. When such a request has been made, the decision of the Committee shall not be acted upon until the Governing Body has agreed the matter.
