57. **Gibbs Residential Decision**

The Domus Bursar introduced the paper from the Gibbs' Working Group, which set out how the proposed refurbishment would be affected if the building was to include residential sets. Professional advice was taken and had made clear that there are significant additional costs, harm to the heritage of the buildings and regulatory requirements if the College wants to include this as an option for the refurbishment. Members of Governing Body spoke passionately about their desire to re-introduce residential Fellows' accommodation in the Building and the quality of the report provided by the consultants. Following further discussion,

Governing Body agreed not to include the provision of residential sets in the renovation of the Gibbs Building.

Papers for report only

58. **Voting at Congregation**

Governing Body noted the arrangements for voting of the 2023 Statutes and the consequences for the conduct of votes in Congregations, where abstentions would not be called for a show of hands.
