9. Amendments to Ordinances

Governing Body discussed the proposed amendments to Ordinances and clarified that Governing Body meetings would continue to be held as hybrid meetings, whereas for Council and Committees this was at the discretion of the Chair.

Governing Body approved, for the first time, amendments to Ordinances (as set out in the paper), to add the possibility of hybrid meetings for Governing Body, Council and their Committees, as well as anonymous voting at Governing Body, and to codify the ineligibility of Fellows on leave for more than one term to stand for Committee elections.

10. New Regulation

Governing Body discussed a proposed new Regulation that would define the Caucuses formally. These are mentioned in Regulations only in relation to the election of the Vice-Provost. The need to formalise this was discussed, and contrasted with the benefits of flexibility, allowing the Vice-Provost to manage the Caucuses as needed. It was emphasised that communication between the Caucuses was necessary and suggestions were made for how to achieve that.

Governing Body agreed not to approve a new Regulation B.2 as set out in the paper.
