#### **69. Matters arising from the Minutes**

### ***Principal Business***

#### **71. Proposal to plant trees on the Back Lawn**

*Governing Body was asked to consider a reduced proposal from the Gardens Committee to plant two Wild Service trees on the north side of the Kennedy infill building.*

Congregation approved the planting of two Wild Service trees on the south side of the footpath past the Old Lodge, in front of the Kennedy Building.

**72. Possible sale of Grantchester Meadows**

*Congregation was asked about the possible sale of Grantchester Meadows. While this was not supported, there was interest in leasing the land and continuing to explore the possibility of managing it for carbon offset and biodiversity net gain under forthcoming Governmental schemes.*

Congregation agreed that the sale of Grantchester Meadows should not be explored further.

**73. Examination Results**

*The Senior Tutor reported on our examination results. Many of our students had been affected by the pandemic and the disruption to examinations and teaching that it caused. There had been a larger number of intermissions than usual and also of failures.*

*Congregation warmly thanked Tim Flack for his work and leadership over the last five years as Senior Tutor.*

***Routine Papers (for report only)***
