

CUWES PRESENTS...

FRESHERS INTRO TO ENGINEERING!

Saturday, 21st of September @ 12:00 pm BST
60 – 90 mins (you are welcome to drop off
at any point!)

We are super excited to be hosting this
introductory freshers webinar!

If you're a fresher, you'll come out with a
better understanding of what Engineering
and Chemical Engineering at Cambridge is
about and what to expect. You will get to
know some of your peers and hear from
current students about their experiences,
what they wish they'd known and any tips
or tricks they picked up along the way.
This will be a relatively informal event so
you can ask a lot of questions!

SCHEDULE

- Welcome and Introduction ~ 5 min
- Introduction to Engineering at Cambridge ~ 10 min
- Student Experiences ~ 10 min
- Teamwork & Icebreaker Session ~ 15 min
- Resources and Support Networks ~ 10 min
- Tips and Tricks for First Year Success ~ 15 min
- Q&A Session ~ 10 min
- Closing Remarks and Next Steps ~ 15 min
