KING’S COLLEGE, CAMBRIDGE
Data Protection – Student Applicants

Because applicants for student places at King’s College, and those attending pre-application events, may eventually join either King’s College or another College, Cambridge University has prepared a single data protection policy to explain how data will be used and protected. These policies apply to King’s College and may be found at: The applicant data protection statement, for both undergraduates and postgraduates, is at:

https://www.information-compliance.admin.cam.ac.uk/dataprotection/applicant-data

The data protection statement for participation in pre-applicant events for graduate students is at: https://www.graduate.study.cam.ac.uk/events/how-we-use-participant-data
