

## Parking in Cambridge

When you are planning your visit to Cambridge you may consider driving into the city and using one of the many car-parking facilities made available by Cambridge City Council.

There are five pay on foot multi-storey car parks where you pay at the machine on return to your vehicle. These car parks are open 24 hours a day, 7 days a week and are located at Park Street, Grafton West, Grafton East, Queen Anne Terrace and the Grand Arcade.

There are also three pay-and-display car parks where you pay for and display a ticket in your windscreen before you leave your vehicle. These car parks are located at Adam And Eve Street, Gwydir Street and Castle Hill.

Please note that there are additional car parks in Cambridge, and that the [Cambridge Leisure Park](#) and the [Cambridge Train Station](#) car parks are managed by [NCP](#).

One of the simplest ways of visiting Cambridge by car is to use one of the five Park & Ride sites located on the outskirts of the city. All five sites are easily accessible when travelling from any part of the country and are situated at Trumpington Road, Babraham Road, Milton, Madingley Road and Newmarket Road.

For more information on parking facilities available to motorists please [Click Here](#)

You can see each car park on our [Car Parks Map](#), which also includes some other car parks including NCP sites and **Cambridgeshire County Council-managed Park and Ride sites**.

### **Pre-booked Parking**

If you are holding an event in Cambridge and wish to pre-book your parking, special rates for groups are available.

Email the Parking Services team at [carparks@cambridge.gov.uk](mailto:carparks@cambridge.gov.uk) or phone **01223 458515** to discuss your exact requirements.
