4. There shall be at least one meeting of the Governing Body in each Term, including the Long Vacation Term. These meetings shall be called Ordinary Congregations.
5. The Provost may summon an Ordinary Congregation whenever he or she shall deem it necessary for any purpose, and shall do so on receipt of a request signed by at least twelve members of the Governing Body. Not less than fourteen days’ notice shall be given of the meeting.
6. At every Congregation the Provost, or in his or her absence the Vice-Provost, shall be Chairman, provided that in the absence of both the Chairman shall be the senior member of the Council present.
7. All questions put to the vote at a Congregation shall, except in cases where it is otherwise provided by Statute or Ordinance, be decided by a majority of those present at the time of the vote, and in the case of an equality of votes the Chairman shall have an additional or casting vote.

8. No business shall be transacted at the Annual Congregation unless one third of the senior members of the Governing Body are present, nor at any Ordinary Congregation unless one fifth of the senior members of the Governing Body are present.
9. Nothing in these Statutes shall be construed as preventing a Congregation from transacting business in the absence of the members *in statu pupillari* through failure of election or any other cause.
10. 15. A vote making or amending or rescinding an Ordinance shall be passed only by a Congregation, and in accordance with a recommendation of a previous Congregation that has been circulated to all members of the Governing Body at least eight days before the date of the second Congregation. If the second Congregation rejects the recommendation of the previous Congregation, the recommendation shall lapse.
16. An Ordinance, while in effect, shall be binding on the Governing Body and the College. No Ordinance may be inconsistent with the Statutes of the College or of the University.

#### *Delegation of Power*

17. The Governing Body may from time to time authorise the Council, or any other Committee, to exercise powers given by these Statutes to the Governing Body by name but shall not so authorise any acts that a Congregation is expressly required or empowered to perform.

#### *Junior Members of the Governing Body, the Council and Committees*

18. Where junior members are members of the Governing Body, the Council or any other Committee they shall not attend meetings or parts thereof during the transaction of business declared by the Chairman of the meeting, whose decision shall be final, to be reserved business; nor shall they receive papers dealing with such reserved business, although at the discretion of the Chairman they may receive minutes of the decisions taken. Reserved business shall include appointments, promotions, elections and matters affecting the personal position of the Provost, Fellows, junior members or staff of the College, the admission of individuals or their academic assessment, and any other matter at the discretion of the Chairman.

## **C. THE COUNCIL**

1. The Council shall have such authority in relation to the general administration and management of the affairs of the College as shall from time to time be entrusted to it by the Governing Body, and such authority may be withdrawn or modified in like manner. The Council may, to the extent of the authority so entrusted to it, exercise all powers which by the Statutes are given to the Governing Body by name, but it shall not be authorised to perform any acts which by the Statutes a Congregation is expressly required or empowered to perform.
2. The Council shall exercise a general superintendence over the educational work of the College, and shall have the power of electing to scholarships, of awarding prizes, of appointing and of dismissing the staff of the College, and of performing such other acts as it is by the Statutes expressly required or empowered to perform.
3. The Council shall, to the extent of the authority entrusted to it, have power from time to time to make standing orders, which shall be called Regulations, for the good government of the College and for the promotion of its welfare as a place of education, religion, learning and research.
4. The composition of the Council shall be determined by Ordinance, provided that the Provost shall always be a member.
5. The procedure for the conduct of Council business shall be determined by Ordinance.

## **D. THE PROVOST**

### *Qualifications and Duties*

1. The Provost shall be distinguished for learning and shall be that person who, in the judgment of the Fellows of the College, is best qualified to secure the good government of the College as a place of education, religion, learning and research.
2. The Provost shall exercise a general superintendence over the affairs of the College, shall, if present, preside *ex officio* at all Congregations and meetings of the Council, and shall have the power, in all cases not provided for by these Statutes, by Ordinance or by Regulation, to make such provision for the good government and discipline of the College as he or she shall think fit.
3. The Provost shall ensure that the Statutes, Ordinances and Regulations of the College are adhered to in the government of the College.

### *Election*

4. The electors to the Provostship shall be the senior members of the Governing Body.
5. Any person may be nominated for election as Provost, provided that the nominee has given his or her consent and that the nomination is supported by a minimum of ten electors.
6. Where the date of the Provost's retirement is known, or when the Provost has announced the date of his or her resignation in advance, a successor may be pre-elected.
7. In such a case, the Vice-Provost, or in his or her absence the senior fellow in residence who is a member of Council, shall call a preliminary meeting of the electors, to be held on a date not more than sixteen calendar months before the date on which the present Provost will retire or resign, and of which at least fourteen days' notice shall be given. The purpose of the preliminary meeting shall be to fix the date and hour of the election. In order to achieve its purpose, the preliminary meeting may be adjourned to dates agreed by the electors as often as necessary, and the date of the election may be fixed at any adjourned session.
8. If the Provostship falls vacant at a time when the process of electing a successor has not yet begun, a preliminary meeting of the electors shall be held under the rules laid down in Section 7 of this Statute.

9. The date of the election shall be not less than fourteen days from the date of the meeting of the electors at which it is agreed. Notice of the election shall be given to all electors. The quorum required to make an election shall be two thirds of the electors, and no person shall be elected as Provost unless he or she secures the votes of two-thirds of the electors present.
10. At the time specified in the notice of the election meeting, the electors shall assemble in the College Chapel, where the Vice-Provost, or in his or her absence the senior Fellow present, and after him or her the other Fellows in their order, shall make the following declaration:

I, M. N., do solemnly declare that I will choose as Provost the person who is in my judgement best qualified, according to the Statutes, to secure the good government of this College as a place of education, religion, learning and research.
11. After this declaration has been made by all the electors present, the Vice-Provost and the two most senior Fellows present who are willing to act or, in the absence of the Vice-Provost, the three most senior Fellows who are willing to act, shall stand in scrutiny. They shall first write and sign their own votes on separate papers, and afterwards receive the votes, similarly written and signed, of all the other Fellows present. The scrutineers shall count the votes and announce the total number of votes cast for each candidate; and if any person shall obtain two thirds of the votes of the electors present, the scrutineers shall pronounce him or her duly elected Provost-elect. If at the first ballot no candidate secures sufficient votes to be elected, a second ballot shall follow immediately in the same manner as before, and the candidate, if any, who secures two thirds of the votes of the electors present shall be pronounced to be Provost-elect.
12. If, after the second ballot, no candidate secures sufficient votes to be elected, the meeting shall be adjourned, after fixing a date for a further meeting to be held not less than seven days later. The procedure followed at any adjourned meeting shall be the same as described in this Statute for the first meeting. Notice of the adjourned meeting shall be given to all electors.
13. If, after the office of Provost has been vacant for twelve months, no person has been elected, the power of the electors to fill that vacancy shall cease and the power to appoint a Provost shall devolve upon the Crown. But where an election is made and then becomes void under Section 16 of this Statute, the power to appoint shall not be transferred to the Crown until twelve months from when the election became void, if that is later.
14. The Vice-Provost shall inform the Provost-elect of his or her election, and if he or she accepts the office, notice of the election and acceptance shall forthwith be certified to the Visitor under the Common Seal of the College. The Visitor, failing whom the Vice-Provost or, in his or her absence, the senior Fellow in residence who is a member of Council, shall admit the Provost-elect to the office within the first fourteen days of Full Term following the election. In the case of a pre-election, the admission of the Provost-elect shall take place within the first fourteen days of Full Term following the date on which the previous Provost's retirement or resignation took effect. In both cases the admission of the Provost-elect shall take place in the College Chapel in accordance with Section 15 of this Statute.
15. A person elected or appointed to be Provost shall be admitted, after making the following declaration in the presence of the Fellows assembled in the College Chapel:

I, M. N., elected Provost of the King's College of Our Lady and Saint Nicholas in Cambridge, do solemnly declare that I will govern the College according to the Statutes thereof, and will endeavour to the utmost of my power to promote the interests of the College as a place of education, religion, learning and research.
16. The election of a Provost shall become void if, before admission, he or she declines the office, or retracts acceptance having accepted, or dies, or if, before he or she is admitted, the Visitor, acting at the request of two thirds of the electors, after making due enquiry, rules in his discretion that for some good reason the election shall be annulled. If an election becomes void a new election shall then be held. Sections 4 to 12 of this Statute shall apply to the conduct of this election, except that the minimum period of notice for any meeting of the electors shall then be reduced to seven days.

### *Residence*

17. The Provost shall reside in College (or in another residence approved by the Governing Body) during Full Term, unless absent on College business, or on account of illness, or other grave cause. Each absence must be approved by the Council, and if the Council disallow the reason for the Provost's absence he or she shall forthwith come into residence.

### *Emoluments*

18. The emoluments of the Provost shall be such stipend as the Governing Body shall from time to time determine, with the occupation of a house free of rent, rates, taxes, and the cost of external and structural repairs: provided that no reduction of the annual stipend shall take effect during the tenure of office by the Provost for the time being without his or her consent.

### *Tenure*

19. The Provost shall hold office for no more than ten years *in toto*, and for such initial period as the Governing Body shall determine at the time of election. A Provost shall be eligible for re-election by a two-thirds majority of those present and voting at a specially convened Congregation of the Governing Body, provided that no Provost shall continue in office beyond the retiring age as fixed by Ordinance.
20. The Provost shall not be present at any Congregation or at any meeting of the electors to the Provostship held under the provisions of this Statute.

### *On vacation of office*

21. The Provost, on vacating office either by voluntary retirement or under the provisions of this statute, shall thereupon become a Life Fellow, subject to the same conditions and with the same rights as other Life Fellows.

### *Removal and suspension from office*

22. The Provost may be removed from office as provided in Statute R.
23. The Provost may be suspended from office for temporary unfitness or incapacity by a resolution of the Governing Body passed by the votes of at least one half of its senior members. The Governing Body shall make known to the Provost the nature and substance of the grounds upon which it is proposed to suspend him or her from office, and shall afford him or her reasonable opportunity to make representation to the Governing Body. Following such a suspension the Governing Body shall, at appropriate intervals, review the suspension after again affording the Provost reasonable opportunity to make representations. The suspension shall automatically lapse if not renewed by a like vote within three months, and in any event shall lapse after twelve months.
24. The Provost may be suspended from office for suspected grave neglect of duty, or for suspected unfitness or incapacity, by a resolution of the Governing Body passed by the votes of at least one half of its senior members. Following such a suspension the Governing Body shall proceed as rapidly as reasonably practicable either to remove the Provost from office under Statute R, or to suspend the Provost under Section 23 of this statute, or to lift the suspension. The suspension shall in any event automatically lapse if not renewed by a like vote within three months.

14. All Fellows shall preserve their seniority in the order of Fellows according to priority of first election as Fellows.
15. A Fellow may resign his or her Fellowship at any time by notice in writing addressed to the Provost, giving due notice if required by the conditions of resignation from any office associated with the Fellowship.

It shall be the duty of the Senior Tutor, under the supervision of the Governing Body and the Council, to oversee the provision of education within the College, to keep under review the academic performance and welfare of all members *in statu pupillari*, and to make recommendations to the Council regarding the appointment of academic Officers.

#### *Suspension and Removal of Officers*

14. The Governing Body may, by Ordinance, determine procedures for the suspension or removal of an Officer from office. These procedures shall be without prejudice to the application of Statute R.

### **G. MEMBERS *IN STATU PUPILLARI***

1. The admission of members *in statu pupillari* for the purpose of education and research shall be under the supervision of the Council, which may delegate these responsibilities to such College Officers as it may determine.
2. No person shall be permitted to come into residence as a member *in statu pupillari* until he or she has satisfied such conditions of admission as are prescribed by the University and such other conditions as the College may think fit to impose.

3. The Council shall have power to make Regulations governing the studies of members *in statu pupillari*, their periods of residence, their behaviour whilst in residence, and the conditions (including conditions as to academic performance) upon which they are permitted to reside.
4. The enforcement of College Regulations concerning academic performance shall be a matter for the Council, whose decision shall, subject to Statute Q, be final.

## **H. SCHOLARSHIPS**

1. The Council, in accordance with such Regulations as may be applicable, may award Scholarships.
2. The tenure and emoluments of Scholarships shall be as determined by Regulations made from time to time.
3. Every person awarded a Scholarship shall be admitted a Scholar by the Provost, or in his or her absence by the Vice-Provost.
4. The Council may make such Regulations as it shall think proper with respect to the residence and studies of Scholars; and any Scholar who fails to conform to such Regulations or to make reasonable progress in his or her studies, may be deprived by the Council of his or her Scholarship, or of the whole or part of the emoluments of the same.

## **I. DIVINE SERVICE**

1. Divine Service in the Chapel shall be under the control of the Dean, subject to such Ordinances and Regulations as may be applicable. Daily Service shall be held in the Chapel during Full Term in a form permitted by the Church of England.
2. There shall be as stipendiary members of the College: an Organist, a Master over the Choristers, at least one Chaplain, Choristers, and Choral and Organ Scholars. The number of Choral and Organ Scholars shall be determined by Ordinance.
3. The stipendiary members referred to in Section 2 of this Statute shall be appointed, and shall also be removable, by the Council, and their duties shall be regulated by Regulation. They shall receive such stipends or other benefits as shall from time to time be fixed by the Council.
4. The arrangements for the education of the Choristers and the provision of accommodation for them shall be determined by Ordinance, and shall be under the supervision of the Council.

## **J. ENDOWMENTS**

1. The Governing Body alone shall, subject to the provisions of these Statutes and of Ordinances, have power to accept endowments for any purpose in furtherance of the interests of the College as a place of education, religion, learning and research.
2. The Governing Body may make Ordinances giving effect to the wishes or suggestions of donors recorded in writing (whether expressed so as to create a trust or not) regarding the application of such endowments and regarding any award or emolument to be supported thereby, provided always that no such Ordinance shall derogate from any obligation imposed on the College by the Statutes of the University.

## **K. THE INVESTMENT AND APPLICATION OF CAPITAL**

1. The powers conferred by this Statute shall apply to:
  - (a) all endowments, land, securities, property and funds of the College not held on any trust; and
  - (b) any endowment, benefaction or trust for purposes connected with the College of which the College is trustee which existed on the date of approval of these Statutes by Her Majesty in Council and, to the extent permitted by law, to any such fund created after that date, and in respect of which the College, as trustee, has consented to the provisions of this Statute.
2. The Governing Body shall have power to authorise the purchase, sale or transfer of property, real or personal, and securities (which term includes stocks, funds and shares) of any description on behalf of the College and to make any investment which it could make if it were the absolute owner of such an investment and whether the investment is income-producing or not.
3. In relation to the management, development, improvement, sale, lease, mortgage or other disposition of any land or any estate or interest therein, held by the College or to the acquisition of any land or any estate or interest therein the Governing Body may exercise any power and may carry out any transaction which an individual holding or acquiring such land, estate or interest for his or her own benefit could exercise or carry out.
4. In order to facilitate the management of investments under the control of the College, the Governing Body may at any time and from time to time resolve that all or any part of the endowment or other funds to which this Statute applies be treated as one amalgamated fund invested for the rateable benefit of the property comprised in it (hereinafter called the constituent funds) and to and upon any such resolution the following provisions shall apply:
  - (a) no investment shall be brought into an amalgamated fund upon its first constitution or upon any change of investment that is expressly disallowed as an authorised investment for any of the constituent funds;
  - (b) an amalgamated fund shall be held on behalf of the constituent funds in shares as nearly as may conveniently be proportionate to their respective capital values upon the first constitution of the amalgamated fund; such shares shall be fixed by resolution of the Governing Body;
  - (c) the Governing Body may at any time increase any amalgamated fund by adding thereto new constituent funds, and upon any such increase shall fix the share of such new constituent funds in the resulting amalgamated fund;
  - (d) the Governing Body may at any time wind up any amalgamated fund and divide the investments thereof between the constituent funds in proportion to their respective shares therein or may bring all or any of the shares into a new or other amalgamated fund, in accordance with the provisions of this Section.

The Governing Body may appropriate and distribute for expenditure as much of the fair value of any amalgamated fund as it in its absolute discretion considers prudent, having regard to the total return achieved and reasonably to be expected in the long term of the amalgamated fund, and shall distribute in proportion to the constituent funds at the time of the distribution.

5. Any surplus income of a trust to which this Statute applies may, at the discretion of the Governing Body, be applied as income for the purposes of the trust in any subsequent year, or may be applied for the general educational purposes of the College. For this purpose, 'surplus income' means income unexpended in any year after the purposes of the trust have been provided for in that year (whether wholly by income from the trust or partly by income from the trust and partly by other means) in so far (if at all) as in the opinion of the Governing Body it is possible to provide.

6. In this Statute:
- (a) 'fair value' means the amount at which an asset could be exchanged in an arm's length transaction between informed and willing parties, other than in a forced or liquidation sale; and
  - (b) 'total return' means return in terms of both income, whether received or accrued, and capital appreciation, whether realised or unrealised; and
  - (c) 'income' of the College or of any trust shall include the total sums appropriated in accordance with Section 4 of this Statute.
7. Where under any instrument the College is the sole trustee of a fund and is directed to make payments from it for the benefit of persons holding a Fellowship, Studentship, Scholarship, Prize or other emolument in the College, the Council may, notwithstanding any term of the instrument, make Regulations:
- (a) determining the qualifications of candidates for the emolument, the duration of its tenure and its titular value;
  - (b) making payments to the holder of the emolument additional to its titular value in cases of financial need;
  - (c) making payments for expenses in connection with the operation of the trust.

## **L. COLLEGE ACCOUNTS AND AUDIT**

1. The College accounts shall be kept and audited in such manner as may be prescribed by the statutes of the University.
2. The College accounts shall be audited once every year. The Governing Body shall appoint for that purpose professionally qualified auditors who shall be independent of the College and shall make a report to the Governing Body concerning such matters regarding the financial and other affairs of the College as they consider appropriate. The Governing Body shall make arrangements for the payment of such remuneration of the auditors as it shall consider appropriate.
3. The accounts shall be submitted to the Inspectors of Accounts, who shall be not fewer than three Fellows, to be appointed every year by the Governing Body. The Inspectors shall make a report to the Annual Congregation each year concerning the conduct of the College's financial affairs, including the report thereon received from the external auditors under Section 2 of this Statute, along with such other matters as they think fit from time to time.
4. The First Bursar shall send annually a copy of the College accounts to the Provost and to every Fellow, and the accounts shall be considered at the Annual Congregation.
5. The First Bursar shall, on the application of any Fellow, submit for his or her inspection the full accounts of income and expenditure of the College.

## **M. COLLEGE FEES AND CHARGES**

1. The Council shall have power to determine, and from time to time to revise, the fees due from members of the College and the charges to be paid (by members of the College and others) for rents, meals and services.
2. It shall be the duty of all members of the College to pay such fees and charges as may be due from them. Any member of the College who fails to do so may be subject to disciplinary action.
3. The Council shall have power to refuse to present for any degree, diploma or certificate awarded by the University any member of the College who has failed to pay the fees and charges due under this Statute.

## **N. CONTRIBUTION TO THE UNIVERSITY**

1. The College shall pay each year to the University the sum authorised by the statutes of the University, made under the powers of the Universities of Oxford and Cambridge Act, 1923, to be levied from the College. For that purpose, the trust funds shall severally bear their proportionate share of the sum thus levied.

## **O. THE COMMON SEAL**

1. The Provost and the First Bursar shall be responsible for the safe custody of the Common Seal of the College.
2. The Common Seal shall not be affixed to any deed or other instrument except in the presence of two persons, one of whom shall be either the Provost or a College Officer, as specified by Ordinance, and the other of whom shall be one of the Fellows, and in pursuance of a resolution of the Governing Body or of the Council. Such resolution, in lieu of referring to a specific deed or instrument, may in general terms authorise the sealing and delivery of any class of deed or instrument.

## **P. THE VISITOR**

1. The Visitor of the College shall be, as heretofore, the Bishop of Lincoln.
2. The Visitor shall have full power to determine all questions as are by law generally exercisable by the Visitor of a College.
3. Any applicant to the Visitor shall be entitled to have his or her complaint or appeal considered unless the Visitor rules that the complaint or grounds of appeal are trivial, frivolous or vexatious.

## **Q. DISCIPLINE OF MEMBERS *IN STATU PUPILLARI***

1. This Statute and any Ordinance made under this Statute shall be construed in every case to give effect to the following guiding principles, that is to say:
  - (a) to enable the College to operate efficiently and effectively as a place of education, religion, learning and research;
  - (b) to ensure that members *in statu pupillari* have freedom within the law to question received wisdom, and to put forward new ideas and controversial and unpopular opinions, without placing themselves in jeopardy of losing their membership of the College or privileges;
  - (c) to apply the principles of justice and fairness.
2. All persons *in statu pupillari* shall:
  - (a) observe the statutes, and obey all Ordinances and Regulations and all other orders, instructions, rules or regulations as may from time to time be issued by a duly authorised Officer;
  - (b) apply themselves diligently to their studies;
  - (c) show due respect and obedience to the Provost, Council, the College Officers and any person charged with directing their studies;
  - (d) pay the fees and charges due from them to the College when requested to do so; and
  - (e) conduct themselves in an orderly manner.

3. If any person *in statu pupillari* shall fail to behave in the manner prescribed in Section 2 of this Statute, or shall act in a manner which is prejudicial to good order, the good name or the good governance of the College, the Council, or any College Officer so authorised by the Council, may impose such proportionate penalty on that person as the offence may in their judgement deserve.
4. The Governing Body shall specify by Ordinance the procedures for regulating and reviewing disciplinary decisions of College Officers, and of the Council. Such procedures shall afford the person subject to a disciplinary decision the right to a fair hearing and shall make provision, where the reviewing body considers it appropriate, for the original disciplinary decision to be quashed or a lesser or a greater penalty substituted.

## **R. DISCIPLINE OF ACADEMIC STAFF**

### **CHAPTER I: CONSTRUCTION, APPLICATION AND INTERPRETATION**

1. This Statute and any Ordinance made under this Statute shall be construed in every case to give effect to the following guiding principles, that is to say:
  - (a) to ensure that members of the academic staff of the College have freedom within the law to question and test received wisdom, and to put forward new ideas and controversial or unpopular opinions, without placing themselves in jeopardy of losing their jobs or privileges;
  - (b) to enable the College to provide education, to promote religion and learning, and to engage in research efficiently and economically; and
  - (c) to apply the principles of justice and fairness.
2. No provision in Chapter II, Chapter III or Chapter IV of this Statute shall enable any member of the academic staff to be dismissed unless the reason for the dismissal may in the circumstances (including the size and administrative resources of the College) reasonably be treated as a sufficient reason for dismissal.
- 3.(i) This Statute shall apply to:
  - (a) any person holding a full-time office designated by the Governing Body as one to which this Statute applies;
  - (b) any person employed by the College in teaching or research save for those holding appointments which have been excluded by the Governing Body from the scope of this Statute on the ground that the person's duties in that regard are only of a limited nature;
  - (c) the Provost, to the extent and in the manner set out in Chapter VII of this Statute.
- (ii) In this Statute any reference to 'academic staff' is a reference to persons to whom this Statute applies.
4. For the purposes of this Statute the following terms have the meanings specified:
  - (a) 'dismiss' and 'dismissal' refer to dismissal of a member of the academic staff and
    - (i) include remove or, as the case may be, removal from office; and
    - (ii) in relation to employment under a contract, shall be construed in accordance with Section 55 of the Employment Protection (Consolidation) Act 1978

- (b) 'good cause' in relation to the dismissal or removal from office of a member of the academic staff of the College, being in any case a reason which is related to conduct or capability or qualifications for performing work of the kind which the member was appointed or employed to do, means:
  - (i) conviction for an offence which may be deemed by a Disciplinary Committee appointed under Chapter III to be such as to render the person convicted unfit for the execution of the duties of his or her office or for employment as a member of the academic staff of the College; or
  - (ii) conduct of an immoral, scandalous, or disgraceful nature incompatible with the duties of the office or employment; or
  - (iii) conduct constituting failure or persistent refusal or neglect or inability to perform the duties or comply with the conditions of the office or employment; or
  - (iv) wilful disruption of the activities of the College; or

In this Section:

  - (b) 'qualifications' means any degree, diploma, or other academic, technical, or professional qualification relevant to an office or position held.
5. For the purposes of this Statute dismissal shall be taken to be a dismissal by reason of redundancy if it is attributable wholly or mainly to:
- (a) the fact that the College has ceased, or intends to cease, to carry on the activity for the purposes of which the person concerned was appointed or employed or has ceased, or intends to cease, to carry on that activity in the place in which the person concerned worked; or
  - (b) the fact that the requirements for members of the academic staff of the College to carry out work of a particular kind have ceased or diminished or are expected to cease or diminish.
- 6.(i) In any case of conflict, the provisions of this Statute shall prevail over those of any other Statute in force on the date on which the instrument making these modifications was approved under Subsection (a) of Section 204 of the Education Reform Act 1988, and over those of any Ordinance, and the provisions of any Ordinance made under this Statute shall prevail over those of any Ordinance made under such other Statutes:
- provided that Chapter III, Chapter IV and Chapter VII shall not apply in relation to anything done or omitted to be done before the date on which the instrument making these modifications was approved under Subsection (9) of Section 204 of the Education Reform Act 1988.
- provided also that disciplinary proceedings in relation to anything done or omitted to be done before that date may continue or be instituted after that date under the relevant Statutes in force before that date.
- (ii) Nothing in any appointment made, or contract entered into, shall be construed as overriding or excluding any provision made by this Statute concerning the dismissal of a member of the academic staff of the College by reason of redundancy or for good cause: provided that this shall not invalidate any waiver made under Section 142 of the Employment Protection (Consolidation) Act 1978.

- (iii) Nothing in any other Statute shall enable the Governing Body to delegate its power to reach a decision under Section 3(ii) of Chapter II.
  - (iv) For the avoidance of doubt it is hereby declared that nothing in Chapter III shall be construed as affecting the Statutes and Ordinances concerning re-election on the expiry of a fixed term of a Fellowship.
  - (v) In this Statute references to numbered Chapters and Sections and Subsections of Chapters are references to Chapters and Sections and Subsections of Chapters so numbered in this Statute.
- 7.(i) No one shall sit as a member of any of the bodies established under this Statute, and no one shall be present at a meeting of such a body when the body is considering its decision or discussing a point of procedure, except as provided by this Statute or by Ordinance.
- (ii) In any case where an Officer of the College or any person is designated to perform any duties or exercise any powers under this Statute, and that Officer or person is involved in the matter in question, the Governing Body shall appoint an alternate to act in his or her place under procedures prescribed by Ordinance.

## **CHAPTER II: REDUNDANCY**

1. This Chapter enables the Governing Body, as the appropriate body, to dismiss any member of the academic staff by reason of redundancy.
- 2.(i) Nothing in this Chapter shall prejudice, alter or affect any rights, powers or duties of the College or apply in relation to a person unless:
  - (a) his or her appointment is made, or his or her contract of employment is entered into, on or after 20th November 1987; or
  - (b) he or she is promoted on or after that date.
- (ii) For the purposes of this Section in relation to a person, a reference to an appointment made or a contract entered into on or after 20th November 1987 or to promotion on or after that date shall be construed in accordance with Subsections (3) to (6) of Section 204 of the Education Reform Act 1988.
- (i) The Governing Body shall be the appropriate body for the purposes of this Chapter.
- (ii) This Section applies where the Governing Body has decided that there should be a reduction in the academic staff:
  - (a) of the College as a whole; or
  - (b) of any area of academic work within the College by way of redundancy.
- 4.(i) Where the Governing Body has reached a decision under Section 3(ii) of this Chapter, it may itself decide to select the requisite members of the academic staff for dismissal by reason of redundancy, if such a course satisfies the guiding principles set out in Section 1 of Chapter I, or it may appoint a Redundancy Committee to be constituted in accordance with Subsection (iii) of this Section to give effect to its decision by such date as it may specify and for that purpose
  - (a) to select and recommend the requisite members of the academic staff for dismissal by reason of redundancy; and
  - (b) to report its recommendations to the Governing Body.
- (ii) The Governing Body shall either approve any selection recommendation made under Subsection 4(i)(b), or shall remit it to the Redundancy Committee for further consideration in accordance with its further directions.

- (iii) A Redundancy Committee appointed by the Governing Body shall comprise:
  - (a) A Chairman; and
  - (b) two members being Life Fellows or Professorial Fellows of the College; and
  - (c) two members of the academic staff who may be Fellows.
- (iv) A member of the academic staff shall not be selected for dismissal under this Section unless he or she has been afforded a reasonable opportunity to make representations to the Governing Body.
- 5.(i) Where the Governing Body has either itself made a selection or has approved a selection recommendation made by the Redundancy Committee under Section 4(i) of this Chapter it may authorise an Officer of the College as its delegate to dismiss any member of the academic staff so selected.
- (ii) Each member of the academic staff selected shall be given separate notice of the selection approved by the Governing Body.
- (iii) Each separate notice shall sufficiently identify the circumstances which have satisfied the Governing Body that the intended dismissal is reasonable and in particular shall include:
  - (a) a summary of the action taken by the Governing Body under this Chapter;
  - (b) an account of the selection processes used;
  - (c) a reference to the rights of the person notified to appeal against the notice and to the time within which any such appeal is to be lodged under Chapter V (Appeals); and
  - (d) a statement as to when the intended dismissal is to take effect.

### **CHAPTER III: DISCIPLINE AND REMOVAL FROM OFFICE**

- 1.(i) Minor faults shall be dealt with informally by the Vice-Provost or the Senior Tutor, as appropriate.
- (ii) Where the matter is more serious but falls short of constituting possible good cause for dismissal the following procedure shall be used:
  - (a) If conduct or performance does not meet acceptable standards, the member of the academic staff shall normally be given a formal oral warning by the Provost, or, if the Provost is unable to act, by the Senior Member of the Council. The member shall be advised of the reason for the warning, that it is the first stage of the disciplinary procedure, and of the right of appeal under this Section. A written record of the oral warning shall be kept but it shall be spent after 6 months, subject to satisfactory conduct and performance.
  - (b) If the offence is a serious one, or if a further offence occurs, a written warning shall be given to the member of the academic staff by the Provost, or, if the Provost is unable to act, by the Senior Member of the Council. The written warning shall give details of the complaint, the improvement required and the timescale. It shall warn that a complaint may be made seeking the institution of charges to be heard by a Disciplinary Committee appointed under Section 4 of this Chapter if there is no satisfactory improvement, and shall advise of the right of appeal under that Section. A copy of this written warning shall be kept on the member of the academic staff's file, but it shall be disregarded for disciplinary purposes after nine months, subject to satisfactory conduct and performance.

- (c) A member of the academic staff who wishes to appeal against a disciplinary warning shall inform the Vice-Provost within two weeks of receiving the warning. The Vice-Provost shall appoint a member of the Disciplinary Panel established under Section 4 of this Statute to hear the appeal, and his or her decision shall be final. If the appeal is allowed, the warning shall be disregarded for the purposes of Section 2.
- 2.(i) If there has been no satisfactory improvement following a written warning given under Section 1(ii)(b) of this Chapter, or in any case where it is alleged that conduct or performance may constitute good cause for dismissal or removal from office, a complaint seeking the institution of charges to be heard by a Disciplinary Committee appointed under Section 4 of this Chapter may be made to the Provost.
  - (ii) To enable the Provost to deal fairly with any complaint brought to his or her attention under Subsection (i) he or she shall institute such enquiries (if any) as appear to him or her to be necessary.
  - (iii) If it appears to the Provost (whether on receipt of a complaint or otherwise) that there are grounds for believing that the conduct or performance of a member of the academic staff of the College could constitute good cause for dismissal, he or she shall write to the person concerned inviting comment in writing and may suspend the person concerned from the performance of his or her duties without loss of emolument or stipend.
  - (iv) As soon as may be following the receipt of such comments (if any) the Provost shall consider the matter in the light of all the available material and may dismiss the matter summarily, or issue a formal warning to the person concerned, or direct that the matter be considered by a Disciplinary Committee appointed under Section 4 of this Chapter.
3. If the Provost has determined that the matter should be considered by a Disciplinary Committee, he or she shall request the Council to appoint such a Committee to hear the charge or charges and to determine whether the conduct or performance of the person concerned constitutes good cause for dismissal or otherwise constitutes serious misconduct relating to his or her appointment or employment, and to make recommendations concerning the action (if any) to be taken as a result of the Committee's findings. Pending the consideration of such recommendations, the Provost, after consulting the Governing Body, may suspend the person charged from the performance of his or her duties without loss of emolument or stipend.
  4. A Disciplinary Committee shall consist of three persons selected by the Council from a panel of seven persons appointed annually by the Governing Body. The members of the panel shall be Fellows of the College or other persons, being members of the Regent House of the University. In selecting members of the panel for appointment as members of a Disciplinary Committee, the Governing Body shall exclude the person charged, and any person who has been involved in or associated with the making of the complaint or any part of it, or who has been involved in any preliminary hearing or investigation.
  - 5.(i) When a Disciplinary Committee has been appointed, the Council shall instruct a solicitor or other suitable person to formulate a charge or charges and to present, or arrange for the presentation of, the charges before the Disciplinary Committee.
  - (ii) It shall be the duty of the person formulating the charge or charges:
    - (a) to forward the charge or charges to the Committee and to the person charged, together with the other documents therein specified and a list of all witnesses whom the College proposes to call, with statements containing the evidence they are expected to give; and
    - (b) to make any necessary administrative arrangements for the summoning of witnesses, the production of documents and generally for the proper presentation of the case before the Committee.

6. The procedure to be followed in respect of the preparation, hearing, and determination of a charge or charges by a Disciplinary Committee shall be prescribed by Ordinance. Such Ordinances shall ensure:
  - (a) that the person charged is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing of charges by a Disciplinary Committee;
  - (b) that a charge shall not be determined without an oral hearing at which the person charged and any person appointed to represent him or her is entitled to be present;
  - (c) that witnesses may be called, both on behalf of the person charged and by the person presenting the charge, and may be questioned concerning any relevant evidence;
  - (d) that no new witness or documentary evidence may be introduced by the person presenting the charge without the Committee's consent, which shall not be given save for good reason, and that if late introduction is allowed, the member of the academic staff shall be allowed an adjournment sufficient to allow him or her to consider and respond to the new evidence; and
  - (e) that any charge is heard and determined as expeditiously as is reasonably practicable.
- 7.(i) The Disciplinary Committee shall send its decision on any charge referred to it (together with its findings of fact and the reasons for its decision regarding that charge, and its recommendations, if any, as to the appropriate penalty) to the Provost and to both parties to the proceedings under this Section.
  - (ii) The Disciplinary Committee shall draw attention to the period of time within which any appeal should be made by ensuring that a copy of Chapter V (Appeals) of this Statute accompanies each copy of its decision sent to a party to the proceedings under this Section.
- 8.(i) Where the charge or charges are upheld and the Disciplinary Committee finds that the conduct of the person charged constitutes good cause for dismissal and recommends dismissal or removal from office, but in no other case, the appropriate Officer, after consulting the Governing Body, may dismiss the person charged.
  - (ii) In any case where the charge or charges are upheld, other than where the appropriate Officer has dismissed the person charged under Subsection (i) of this Section, the action available to the appropriate Officer (not comprising a greater penalty than that recommended by the Disciplinary Committee) may be:
    - (a) to discuss the issues raised with the person charged; or
    - (b) to advise the person charged about his or her future conduct; or
    - (c) to warn the person charged; or
    - (d) to suspend the person charged for such period as the appropriate Officer shall think fair and reasonable, provided that the suspension shall not extend beyond three months after the date on which the appropriate Officer shall have considered the Disciplinary Committee's decision; or
    - (e) such further or other action under the contract of employment of the person charged or terms of appointment as appears fair and reasonable in all the circumstances of the case; or
    - (f) any combination of the above.
- 9.(i) The Provost shall be the appropriate Officer to exercise the powers conferred by Section 8 of this Chapter and any reference to the appropriate Officer includes a reference to a delegate of that Officer.

- (ii) Any action taken by the Provost or his or her delegate shall be confirmed in writing to the member concerned.

#### **CHAPTER IV: REMOVAL FOR INCAPACITY ON MEDICAL GROUNDS**

- 1.(i) This Chapter makes separate provision for the assessment of incapacity on medical grounds as good cause for dismissal or removal from office.
  - (ii) In this Chapter references to medical grounds are references to capability assessed by reference to health or any other physical or mental quality.
  - (iii) In this Chapter references to the appropriate Officer are references to the Provost or an Officer acting as his delegate to perform the relevant act.
  - (iv) References to the member of the academic staff include, in cases where the nature of the alleged disability so requires, a responsible relative or friend or other person with authority to act on behalf of that member in addition to (or instead of) that member.
- 2.(i) Where it appears to the appropriate Officer that the removal of a member of the academic staff on medical grounds should be considered, the appropriate officer:
  - (a) shall inform the member accordingly;
  - (b) shall notify the member in writing that it is proposed to make an application to the member's doctor for a medical report and shall seek the member's consent in writing in accordance with the requirements of the Access to Medical Reports Act 1988; and
  - (c) may suspend the member from the performance of his or her duties without loss of emolument or stipend.
- (ii) If the member agrees that his or her removal on those grounds should be considered the College shall meet the reasonable costs of any medical opinion required.
- (iii) If the member does not agree that his or her removal from office be considered or does not agree to be suspended from the performance of his or her duties, the appropriate Officer shall refer the case in confidence, with any supporting medical and other evidence (including any such evidence submitted by the member), to a Medical Board comprising one person nominated by the Council; one person nominated by the member concerned or, in default of the latter nomination, by the Provost; and a medically qualified chairman jointly agreed by the Council and the member or, in default of agreement, to be nominated by the President of the Royal College of Physicians.
- (iv) The Medical Board may require the member concerned to undergo medical examination at the College's expense.
- (v) The procedure to be followed in respect of the preparation, hearing, and determination of a case by a Medical Board shall be prescribed by Ordinances made under this Section. Such Ordinances shall ensure:
  - (a) that the member concerned is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing by the Board;
  - (b) that a case shall not be determined without an oral hearing at which the member's representative, but not the member, is entitled to be present;
  - (c) that witnesses may be called and questioned concerning any relevant evidence; and
  - (d) that the case is heard and determined as expeditiously as is reasonably practicable.

3. If the Medical Board determines that the member should be required to retire on medical grounds, the appropriate officer, after consulting the Governing Body, may terminate the employment of, or remove from office, the member concerned on those medical grounds.

## **CHAPTER V: APPEALS**

1. This Chapter establishes procedures for hearing and determining appeals by members of the academic staff who are dismissed or under notice of dismissal or who are otherwise disciplined.
  - 2.(i) This Chapter applies:
    - (a) to appeals against any decisions of the Governing Body as the appropriate body to dismiss in the exercise of its powers under Chapter II;
    - (b) to appeals arising in any proceedings, or out of any decision reached, under Chapter III other than appeals under Section 1 of Chapter III (Appeals against disciplinary warnings);
    - (c) to appeals against dismissal otherwise than in pursuance of Chapter II or Chapter III;

  - (a) to matters affecting themselves as individuals; or
  - (b) to matters affecting their personal dealings or relationships with other staff of the College, not being matters for which express provision is made elsewhere in this Statute.
- 3.(i) If no other remedy has proved satisfactory, the member of the academic staff may raise the matter with the Provost.
  - (ii) If it appears to the Provost that the matter has been finally determined under Chapter III, IV or V or that the grievance is trivial or invalid, he or she may dismiss it summarily, or take no action upon it. If it so appears to the Provost he or she shall inform the member and may inform the Governing Body accordingly.
  - (iii) If the Provost is satisfied that the subject matter of the grievance could properly be considered with (or form the whole or any part of) -
    - (a) a complaint under Chapter III;
    - (b) a determination under Chapter IV; or
    - (c) an appeal under Chapter V

he or she shall defer action upon it under this Chapter until the relevant complaint, determination or appeal has been heard or the time for instituting it has passed and he or she shall notify the member and may inform the Governing Body accordingly.
  - (iv) If the Provost does not reject the complaint under Subsection (ii) and does not defer action upon it under Subsection (iii) he or she shall decide whether it would be appropriate, having regard to the interests of justice and fairness, for him or her to seek to dispose of it informally. If the Provost so decides he or she shall notify the member and proceed accordingly.
4. If the grievance has not been disposed of informally under Section 3(iv) of this Chapter, the Provost shall refer the matter to the Grievance Committee for consideration.
5. The Grievance Committee shall comprise three Fellows of the College appointed annually by the Governing Body.
6. The procedure in connection with the consideration and determination of grievances shall be prescribed in Ordinances in such a way as to ensure that the aggrieved person and any person against whom the grievance lies shall have the right to be heard at a hearing and to be accompanied by a friend or representative.

7. The Grievance Committee shall inform the Governing Body whether the grievance is or is not well-founded and if it is well-founded the Committee shall make such proposals for the redress of the grievance as it sees fit.

## **CHAPTER VII: REMOVAL OF THE PROVOST FROM OFFICE**

1. Any three members of the Governing Body may make a complaint to the Vice-Provost seeking the removal of the Provost from office for good cause.
2. The Vice-Provost shall refer such a complaint to the Governing Body, exclusive of the Provost and the members making the complaint. If it appears to the Governing Body that the complaint is not supported by sufficient evidence of good cause for the removal of the Provost from office, the Governing Body may determine that no further action shall be taken upon it.
3. If it appears to the Governing Body, on material presented, that the complaint raises a *prima facie* case which could, if proved, constitute good cause for the removal of the Provost from office, the Governing Body shall appoint a Tribunal to hear and determine the matter. A Tribunal appointed by the Governing Body shall consist of three persons who are not Fellows of the College and are not employed by the College, as follows:
  - (a) one person who holds or has held judicial office, or who is a barrister or solicitor of at least ten years' standing, who shall be Chairman;

  - (ii) The Tribunal shall send its decision on the complaint, together with its findings of fact and the reasons for its decision, to the Provost and the Vice-Provost. The Tribunal shall draw attention to the period of time within which any appeal should be instituted by ensuring that a copy of Chapter V of this Statute accompanies the notification of its decision sent to the Provost.
  - (iii) If the Tribunal finds that the complaint constitutes good cause for dismissal, the Vice-Provost, after consulting the Governing Body, may dismiss the Provost.
5. The Provost may institute an appeal against dismissal by sending to Vice-Provost a notice in writing setting out the grounds of the appeal. A notice of appeal shall be served within twenty-eight days of the date on which the document recording the decision was sent to the Provost, provided that the person appointed to hear an appeal shall have power to hear an appeal submitted after that date if he or she considers that justice and fairness so require in the circumstances of the case.
6. An appeal commenced under Section 5 shall be heard in accordance with the provisions of Sections 5 to 7 of Chapter V of this Statute, provided that the Vice-Provost shall perform any duty and exercise any power there assigned to the Provost.
7. For the purpose of the removal of the Provost for incapacity on medical grounds, the provisions of Chapter IV shall have effect, provided that the Vice-Provost shall perform any duty and exercise any power there assigned to the Provost.
8. For the purposes of this Chapter, references to the Vice-Provost shall, if the Vice-Provost is not in residence, or is incapacitated by illness or otherwise, be construed as referring to the senior member of the Council.
