CHORAL SERVICES RESUME ON
SATURDAY 30 SEPTEMBER

KING'S COLLEGE CHAPEL was begun by Henry VI in 1446 and is an important part of our national heritage. The architectural majesty of the Chapel and the extraordinary musical quality of the Choir are admired by millions of people every year. The College is solely responsible for the upkeep of the Chapel.

Over 500 years of weathering have taken their toll on the building. The lead roof is nearing the end of its life, with leaks causing fungal problems in the timbers below; stonework is deteriorating, with some carved decoration already lost; and stained glass windows, that survived the Reformation, the Civil War and World War II, need urgent restoration work.

KING'S COLLEGE CHAPEL FOUNDATION was established in 1997 to safeguard and enhance the tradition of choral worship and musical excellence through long-term support of the Choir; to protect the Chapel through maintenance and conservation of this historic structure, its fabric and furnishings; and to enhance visitors' experience of the Chapel and its daily services.
