Please would you fill in the slip below and return it to the Admissions Office at King's as soon as possible, and in any case **NO LATER THAN 1 AUGUST**. (The University needs to have as accurate an idea as possible about the numbers for practical classes next year.)

The choice that you indicate below does not commit you to anything. It merely enables us to produce the necessary estimates. If you do change your mind between now and the end of August, please write and let us know as soon as you can.
